MAD SQUAD is back!!!!!!

Thank you all for your support of the MAD program at Rochedale. It is obvious from the feedback that this is a very highly valued and in demand activity for our school students. The passion of students and parents towards MAD has been extremely evident this week. For the past few days the school, P&C and MAD have been working together to find a solution to the dilemma we were facing.

Today I am pleased to advise that the school has been able to continue to offer MAD the facilities they need to run their program successfully. MAD has accepted this offer and will be returning to Rochedale in 2018 in the same capacity as past years.

In moving forward it is obvious that we need to increase our facilities to enable us to keep providing all of the important services we offer within our school community. To this end the P&C and I will be working to devise a building plan which will satisfy the needs of our growing school into the future.

May I thank everyone involved for their passion towards Rochedale SS and MAD and assure the parent and student community that your voices were heard. Your strong support of MAD ensured that we all strove to find a successful outcome and maintain MAD at Rochedale.

Sincerely

Keith Graham
Principal
